Classes begin
Tuesday, August 27, 2019
in the Front Office Conference Room

It may be hard for you to feel optimistic about the future right now. If you've lost a spouse, child, family member, or friend, you've probably found there are not many people who understand the deep hurt you feel.

This can be a confusing time when you feel isolated and have many questions about things you've never faced before.

"Going to GriefShare feels like having warm arms wrapped around you when you're shivering."
