BISHOP'S MINISTRY APPEAL PRAYERFUL GIVING

Bishop's Ministry Appeal Weekend is next week. Please prayerfully consider your gift to the Bishop's Ministry Appeal. This year, our parish goal is \$77,296. Part of that goal will help the Diocese to continue to provide the valuable programs and services from which we all benefit. However, any amount over our goal will be used right here at our parish. Please consider being as generous as you can and bring your pledge of support with you to Mass next weekend. Those of you who gave last year will receive a letter from Bishop Cotta introducing the Appeal. Participation by everyone is important. We hope that all of you will be able to give something this year.

GRIEF SHARE

How GriefShare works

It may be hard for you to feel optimistic about the future right now. If you've lost a spouse, child, family member, or friend, you've probably found there are not many people who understand the deep hurt you feel.

This can be a confusing time when you feel isolated and have many questions about things you've never faced before.

"Going to GriefShare feels like having warm arms wrapped around you when you're shivering."

GriefShare groups meet weekly to help you face these challenges and move toward rebuilding your life. Each GriefShare session has three distinct elements:

Video seminar with experts

Each week your GriefShare group will watch a video seminar featuring top experts on grief and recovery subjects. These videos are produced in an interesting television magazine format featuring expert interviews, real-life case studies, dramatic reenactments, and on-location video.

Support group discussion with focus

After viewing the video, you and the other group members will spend time as a support group, discussing what was presented in that week's video seminar and what is going on in your lives.

Personal study and reflection

During the week you will have the opportunity to use your workbook for further personal study of the grieving process and to help sort out your emotions through journaling. Your group will spend time discussing questions and comments from the workbook study.

Please join us Tuesday at 6 PM.

Classes begin Tuesday, January 23, 2024

Dear Clergy, Religious and Laity,

One of the pillars of the National Eucharistic Revival includes giving increased attention to the way we participate in the Mass. As human beings, created both spiritual and physical, we engage our entire selves in worship of God. This is why we have set postures and gestures in the Mass, for the priest, the deacon, and the gathered faithful. These postures can and do change over time to help people to participate and express their faith.

One area where there is often confusion, with regard to posture, is during the Communion Rite. In the United States, the norm is for the faithful to kneel following the Lamb of God, unless the diocesan bishop determines otherwise. This has remained the norm in the other dioceses of the Central Valley, that they kneel. Since the early 2000s, meanwhile, our diocese, along with several others in the country, changed to having the faithful stand at this point of the Mass. However, over the past several years many dioceses which chose to stand at this point in the Mass have returned to the posture of kneeling.

While standing at this moment is in line with the general practice of the Roman Rite worldwide, it has often become an opportunity for confusion with dioceses in the same region having differing practices. Both postures have their value: standing together helps us to recognize our unity as the Body of Christ, while kneeling is seen to better express an attitude of adoration before our Lord in the Holy Eucharist. Even though both are legitimate, there does not seem to be sufficient reason to have a different practice from the great majority of the other dioceses of our country.

Therefore, in the Diocese of Stockton, beginning on Ash Wednesday, February 14, 2024, the practice during Mass will be that the faithful kneel following the *Agnus Dei* (Lamb of God), in accord with the *General Instruction of the Roman Missal*, number 43.

The Diocese of Oakland will be changing back to kneeling on the same day, meaning that with the change we will have the same practice as most of our surrounding dioceses.

This change also has implications for posture following Communion. The norm given in the *General Instruction* is for the faithful to stand until the last person has received Communion. Even though the norm is to stand, the common practice in the U.S. has been to kneel after receiving Communion. When the U.S. Bishops asked the Vatican about whether this custom could be retained, the Vatican replied that the instruction to stand after Communion was meant as a general indication, and not intended to be strictly applied. The faithful should therefore know that they may follow the customary U.S. practice of kneeling following the reception of Holy Communion.

In the Peace of Christ,

The Most Reverend Myron J. Cotta
Bishop of Stockton

Pray for the Sick

Heavenly Lord, we need Your divine intervention in our lives. We need You to empower our bodies with Your holy presence, and Your arms envelop our minds to soothe this pain. We shall not buckle under the strain and when it's a new day, our healed body will be a representation of Your power. Thank You, Your holiness for such attention to our lives, and In Christ's name, Amen.
